## A Bold Look. Unmatched Service.

A bride is meant to be seen by all, so see and be seen on your big day in a Cabrio Taxi Pedicab!. Our pedicabs have provided high quality wedding transportation for all kinds of ceremonies in locations throughout San Francisco. We can prepare our pedicabs with custom wedding drapery and signage and pick up the newly weds - or the entire wedding party - in style to add that special touch to your arrival and departure. Your wedding day will be a lasting memory - why not add some sparkle?!

### About Our Offering:

Our service is highly customizable to fit your needs. Packages start at \$100 / hour per pedicab; with volume discounts available. Each pedicab can carry 2 to 3 guests comfortably. We have a fleet of 32 red pedicabs; complete with drivers in white shirts/red ties. Sparkle included.

"Their professional service and level of sophisticated charm should be studied at business school. Thank you for such a charming and unique experience."

"Geoff and his crew are amazing! They are so much fun to work with. They made our wedding so memorable, and the guests had a blast riding around in the pedicabs. I would definitely recommend them for any of your events especially weddings..."
